14th April 2025

Dear Matthew

Re: Wiston Parish Council
Internal Audit for Financial Year Ended 31 March 2025 – Final Audit report

Executive summary

Following completion of our final internal audit on 14th April 2025 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published Annual Governance and Accountability Return (AGAR). The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of which is available on request. The report concludes with an opinion as to whether each assertion has been met or not at this point in the year. **Recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Wiston Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit’s function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority’s approval of the annual governance statement.

Independence and competence

Your audit was conducted by Tracey Euesden of Mulberry Local Authority Services Ltd, who has over 35 years’ experience in the financial sector with the last 16 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter and inherent risk assessment

An engagement letter was previously issued to the council covering the 2024/25 internal audit assignment, which includes the scope and plan of works and fee structure. Copies of this document are available on request from anna@mulberrylas.co.uk

In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be “walk through testing” on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The year-end audit was conducted remotely with information requested from the council in advance of the audit taking place. The Clerk, who also acts as the council's Responsible Financial Officer (RFO) had prepared the information in advance of the visit and overall, I have the impression that the accounting records are neatly maintained and easily accessible. Other information was reviewed through discussion with the Clerk and a review of the council's website pages www.wistonvillage.org.uk/parish-council.

The council continues to use Excel as a day-to-day accounting package. The system is used regularly to report on and record the financial transactions of the council and it suitable for a council of this size with a limited number of transactions.

I conducted a simple walk-through test on a supplier invoice drawn at random and a receipt drawn at random and can confirm the underlying documentation was easy to locate and agreed to the spreadsheet.

I tested the opening balances as at 1/4/24 by reviewing the balance brought forward on the budget spreadsheet and confirmed it could be agreed back to the investment reconciliation for the accounting statements for 2023/24 with both documents showing £11,238.

B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Finance Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The council correctly declared itself exempt from the external audit in 2023 / 2024 and therefore received no Notice of Conclusion of Audit. A copy of the internal auditor's report is published on the council's website pages.

I note the council received and considered the previous internal auditor report at the council meeting held on 8th May 2024 (minute ref 24.10).

Confirm by sample testing that councillors sign statutory office forms.

I confirmed by sample testing that councillors sign "Acceptance of Office" forms together with a formal acceptance to receive information by electronic means in the form "As per Schedule 12 of the Local Government Act 1972, I consent to the receipt of all council meeting papers by electronic methods. I understand I may withdraw this consent at any time".

Individual Register of Members' Interests forms are published on the council's website.

Confirm that the council is compliant with the relevant transparency code.

As the council's income and expenditure is below £25,000, it is a statutory requirement to follow the requirements of the Transparency Code for Smaller Authorities. Testing of compliance with this requirement is noted in Section L of this report.

Confirm that the council is compliant with GDPR.

The council is fully aware of GDPR. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's Guide (March 2024) contains updated guidance on the matter as below:

The importance of using .gov.uk domains for websites and emails

- 5.210. *All Parish, Town and Community Councils are eligible to use, and are advised to use, a .gov.uk domain for their websites and email communications. Your community, suppliers and partners will now reasonably expect a local council to have a .gov.uk domain name. Note that Parish meetings are exempt from the requirement to have a website.*
- 5.211. *To assist with compliance with the General Data Protection Regulations (GDPR), it is advised that clerks provide official .gov.uk email accounts to their councillors, which must only be used for official council business.*
- 5.212. *When choosing a domain name all councils must follow the rules set out by the Cabinet Office to choose a .gov.uk domain name, for example, 'ourparishcouncil.gov.uk' with email addresses linked to that domain.*
- 5.213. *Using a .gov.uk domain for your council website and email accounts gives Parish Councils the following advantages:*

- 5.214. *Increased professionalism and trust from members of your community, partners and suppliers because your email address and website domains are a trusted government brand.*
- 5.215. *Separation of your personal life from your professional life, ensuring members of your community, partners and suppliers understand what capacity you are emailing them in - whether a Councillor or Clerk.*
- 5.216. *Increased control for the Responsible Officer over email accounts and documentation when managing new joiners, leavers, sudden absences or Freedom of Information and Subject Access Requests.*

The council has a Privacy Notice and Accessibility Statement on the home page of its website, and it is clear the council has made every effort to comply with the website requirements.

Confirm that the council meets regularly throughout the year.

In addition to full council, the council has a Planning Sub-Committee. Both meet regularly during the year and dates of meetings are published on the website pages along with historic minutes.

A diary of future meeting dates is also published on the council website, along with historic agendas and minutes for council and sub-committee meetings.

Check that agendas for meetings are published giving 3 clear days' notice.

I was able to confirm that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting.

I note that the council also posts supporting documentation with the agendas as outlined by the Information Commissioner's Office (page 3 of this link) ico.org.uk/minutesandagendas.pdf

Check the draft minutes of the last meeting(s) are on the council's website.

Draft minutes are uploaded to the council website and clearly annotated as draft.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council in May 2024 (minute ref 24,14).

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations

Financial Regulations are loosely based on the NALC model and were last reviewed and adopted by council in May 2024 (minute ref 24.15 The regulations contain provisions for the approval of spending, setting of and reporting to council and appear appropriate for a council of this size. However, I would advise that a review of the current NALC model is undertaken to ensure that there are no omissions of 'Must' and bold text which refer to statutory obligations that the council cannot change.

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 3.1 Expenditure on revenue items may be incurred up to the amounts included in the approved budget.

FR3.2 No expenditure may be incurred that will exceed the amount provided in the revenue budget by 10% without the approval of full council.

FR 3.4 The Clerk may incur expenditure on behalf of the council which is necessary to carry out any repair, replacement or other work which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to a limit of £250. The Clerk shall report the action to the council as soon as practicable thereafter.

Based on the level of financial activity of the council, these authorisation thresholds appear appropriate

A review of council minutes shows that council authorises payments in accordance with the adopted Financial Regulations.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £10.81 per elector.

The council had no S137 Expenditure during the year.

Check receipt of VAT refund matches last submitted VAT return.

The council is not VAT registered and reclaims annually via a V126 claim form. The reclaim for the period 1st April 2023 to 31st March 2024 showed a refund of £62 and I was able to reconcile receipt of this among on the council's bank statement on 14th May 2024.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The council's adopted Financial Regulations refer to risk management and state that "The RFO shall be responsible for ensuring that there is an adequate and effective system of internal audit of the council's accounting, financial and other operations in accordance with Regulation 5 of the Accounts and Audit Regulations 1996 (as amended)."

The council has a risk assessment process in place, which was last reviewed and approved by council in May 2024 (minute ref 24.15). I reviewed the risk assessment records and am satisfied that all reasonable financial risks for a council of this size have been properly considered.

I confirmed that the council has a valid insurance policy in place with Hiscox Insurance which covers the year under review. The policy includes Public Liability cover of £10 million, Employers Liability cover of £10 million and a Fraud & Dishonesty (Fidelity Guarantee) level of £150,000 which is sufficient for a council of this size.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The council set a precept of £4,156 for 2024/25. With a tax base of 104.1 this equates to a band D equivalent of £41.15 (compared to the average in England of £85.89). I was able to confirm receipt of the precept amount, and this is correctly recorded in Box 2 of the AGAR.

The Clerk confirmed that the 2025/26 budget and precept were approved by the council at the meeting held on 6th November 2024 (minute ref 24.52.2).

The year-end budget report shows receipts reported as 100% of budget and payments at 103%, suggesting that the budget has been accurately set and carefully monitored throughout the year. There is evidence within the minutes of meetings that councillors regularly receive budget reports for review, providing them with sufficient financial information to make informed decisions.

The council holds no funds in earmarked reserves and the general reserve balance as at 31st March 2025 is £8,602.

The Joint Panel on Accountability and Governance (JPAG) Practitioner’s guide provides updated guidance on the appropriate level of general reserves that councils should retain as below:

5.33. The general reserve of an authority comprises its cash flow and contingency funds to cover unexpected inflation, unforeseen events and unusual circumstances.

5.34. The generally accepted recommendation with regard to the appropriate minimum level of a smaller authority’s general reserve is that this should be maintained at between three and twelve months of net revenue expenditure.

5.35. The reason for the wide range is to cater for the large variation in activity level between individual authorities. The smaller the authority, the closer the figure may be to 12 months expenditure, the larger the authority, the nearer to 3 months. In practice, any authority with income and expenditure in excess of £200,000 should plan towards 3 months equivalent general reserve.

5.36. In all of this it is important that each authority adopt, as a general reserve policy, the level appropriate to their size, situation, risks and plan their budget so as to ensure that the adopted level is maintained. Consideration of the minimum level of reserves requires not only consideration of level of income and expenditure but also the risks to that income.

5.37. *Authorities with significant self-generated income (other than the precept or levy) should take into account situations that may lead to a loss in revenue as well as increased costs and adapt their general reserve accordingly.*

The general reserve balance at the end of the financial year is £8,602, which is in excess of the recommended range, and I recommend that council considers whether funds should be earmarked for any projects or activities planned for the future.

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

The precept is the council's main source of income with the exception of a small grant from the District Council for litter picking and a nominal vat refund.

From a review of the excel spreadsheet, income appears to be recorded with sufficient narrative detail to identify the source.

The council has no fees or charges to review.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council has no petty cash and the testing for this internal control objective does not apply.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The Clerk is the only employee and has a signed contract of employment based on the NALC template. I was able to verify that his salary is aligned to the NJC scale point range.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and was able to confirm from the budget spreadsheet that this includes only salary payments and HMRC payments.

There are no councillor allowances, although the Clerk is aware if paid to eligible (elected) members, these must be processed through payroll and assessed for tax and national insurance.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

The council has a fixed asset register in place, maintained in an Excel format, which includes details of asset location, date of acquisition, original purchase price, replacement value and insurance value. Assets are correctly listed at cost/proxy cost, or where gifted/donated, given a nominal £1 value for the purpose of the asset register.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and there have been no acquisitions or disposals during the year under review. However **there is a £1.00 discrepancy between the figure stated for box 9 of the AGAR Accounting statements (section 2) for 2023 2024 due to rounding and I recommend that box 9 for 2023 2024 is RESTATED to rectify this.**

The council has no loans or long-term investments.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Bank reconciliations are completed monthly and presented to the full council for review. I reviewed the I reviewed the March 2025 bank reconciliation for all accounts and was able to confirm the balances to the bank statements and found no errors.

I was able to confirm that the bank reconciliations have been verified in accordance with Financial Regulations, and evidence of this activity taking place is recorded within the minutes of meetings.

The council holds its account with HSBC and as the council's annual budget is below the €500,000 threshold, it is protected by the Financial Services Compensation Scheme (FSCS).

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting.

COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ACCOUNTING STATEMENT).

Section 1 – Annual Governance Statement

Based on the internal audit findings, I recommend using the table below as the basis for that discussion.

-----	-------------------------------------------------------	-----	-----	-----------------------------------------

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement to complete the box 7 and 8 reconciliation. It note however that the figures in boxes 7 & 8 have been transposed and this should be corrected to £8,620 to tally with the bank balances.

With this correction, The AGAR correctly casts and cross casts and last year’s comparatives match the figures submitted for 2023/24 and published on the council website.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2023/24, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2023/24 AGAR tick “not covered”)

Audit findings

The council correctly exempted itself from a limited assurance review in 2023/24 and the Exemption Certificate is published on the council's website.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

For councils with a turnover below £25,000, it is a statutory requirement to follow the Transparency Code for Smaller Authorities and testing of compliance with this requirement is detailed below.

Information to be published	Audit findings
All items of Expenditure above £100	Included within minutes of meetings on website
End of Year Accounts	Published on website
Annual Governance Statement	Published on website
Internal Audit Report	Published on website
List of councillor responsibilities	Published within ‘parish councillors’ tab of website
Details of land and building assets	Asset list published within ‘accounts’ tab of website
Minutes, agendas and meeting papers	Published on website

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

- 13(1)** An authority must publish (which must include publication on that authority's website)
- the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
 - the Annual Governance Statement approved in accordance with regulation 6(3)

- 13(2)** Where documents are published under paragraph (1), the authority must
- keep copies of those documents for purchase by any person on payment of a reasonable sum; and
 - ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

The Clerk advises me that the Annual Governance Documents for previous years cannot be found so I am unable to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for financial years 2019/20 to 2023/24 inclusive. Box L of my assertion statements must therefore be answered NO.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

Internal audit requirement

The authority has demonstrated that during summer 2024 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2023/24 Actual	2024/25 Proposed
Date AGAR signed by council	8 th May 2024	7 th May 2025
Date inspection notice issued	14 th May 2024	2 nd June 2025
Inspection period begins	3 rd June 2024	3 rd June 2025
Inspection period ends	12 th July 2024	14 th July 2025
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2023/24, and assertion 4 on the Annual Governance Statement can therefore be signed yes by the council. I was able to confirm that the proposed dates for 2023/24 meet the statutory requirements.

N: PUBLICATION REQUIREMENTS

Internal audit requirement

The authority has complied with the publication requirements for 2023/24. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2024 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 - Annual Governance Statement 2023/24, approved and signed, page 4

- *Section 2 - Accounting Statements 2023/24, approved and signed, page 5*

Not later than 30 September 2024 authorities must publish:

- *Notice of conclusion of audit*
 - *Section 3 - External Auditor Report and Certificate*
 - *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*
- It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.*

Audit findings

I was able to confirm that the Notice of the Period of Public Rights and Section 1 (Annual Governance Statement) and Section 2 (Accounting Statement) were published on the council's website before 1 July 2024.

The Internal Audit report for the year ended 31st March 2024 has been published on the council's website.

The council has therefore met the publication requirements for 2023/24.

O. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council has no trusts, and testing for this internal control objective is not applicable.

Final Internal Audit - Points Carried Forward

Audit Point	Interim Audit Findings	Council comments
B. FINANCE REGULATIONS, GOVERNANCE AND PAYMENTS	Financial Regulations are loosely based on the NALC model and were last reviewed and adopted by council in May 2024 (minute ref 24.15 The regulations contain provisions for the approval of spending, setting of and reporting to council and	

	appear appropriate for a council of this size. However, I would advise that a review of the current NALC model is undertaken to ensure that there are no omissions of 'Must' and bold text which refer to statutory obligations that the council cannot change.	
D. BUDGET, PRECEPT AND RESERVES	The general reserve balance at the end of the financial year is £8,602, which is in excess of the recommended range and I recommend that council considers whether funds should be earmarked for any projects or activities planned for the future.	
H. ASSETS AND INVESTMENTS	There is a £1.00 discrepancy between the figure stated for box 9 of the AGAR Accounting statements (section 2) for 2023 2024 due to rounding and I recommend that box 9 for 2023 2024 is RESTATED to rectify this.
